Cooloola Coast General Practice

Cooloola Coast General Practice is delighted to provide exceptional medical facilities and services to locals and visitors of the Cooloola Coast region. Your health is our priority and our commitment to your wellbeing is unwavering.

With the Tin Can Bay and Cooloola Coast practices now modernised and streamlined, patients can see their GP or specialist in superbly practical and visionary premises.

Our highly qualified medical staff include General Practitioners, registered and enrolled nursing staff and dedicated administrative staff serving the community.

Our focus is on the patients' needs, and we specialise in professional general practice which includes chronic disease management planning, mental health care plans, health assessments to prevent chronic disease, Diabetes annual cycle of care, heart health checks, skin checks, immunisations, minor surgical procedures and wound care plus so much more. We also offer Workplace Medicals, Coal Board, Gas, Rail, Aviation and Diving along with drug and alcohol screening.

Our highly trained General Practitioners have backgrounds and specialist qualifications to add to their qualifications.

For convenience, bookings can be made online at www.cooloolacoastgp.com.au or by phoning the number for all practices 07 5486 4600 or if you need assistance by emailing info@cooloolacoastgp.com.au and someone will help you out.

We are proud of the quality of service we provide to the growing Cooloola Coast community and look forward to seeing you in one of our three practice locations soon.

Cooloola Coast GP are proud to include Allied Health practitioners within their practices at Tin Can Bay and Cooloola Cove.

We ask patients to make bookings for these Allied Health services directly with the contact details provided. You can learn more about their services on our website www.cooloolacoastgp.com.au

DOLPHIN SHOPPING CENTRE

1 Dolphin Avenue TIN CAN BAY

Come for the place, stay for the people

By Gabriel Laidler-Burns

Hello and welcome to the Gympie Region!

Ahead in this magazine is your one-stop shop to find all you need in our wonderful town and its surroundings.

Whether it's who you need to call when you're in a pinch, or what the biggest and exciting events of the year are, this is where you can find it.

The Gympie Region is home to many, renowned for its picturesque landscapes, from lush, green farmlands in the Mary Valley to a beautiful coastline as you head out to Tin Can Bay and Rainbow Beach.

There's no shortage of shops, long-standing and new, with plenty to catch your eye and amenities to help you lead a comfortable modern lifestyle.

The Gympie Region won't let you get bored either, you can get involved at huge festivals, shows, and events as well as many volunteer and sporting groups always actively looking for new members.

Coffee-lovers can rejoice at the many world-class cafes in the region.

Food-lovers will be spoilt for choice with the wide array of restaurants, and wine-

'Lady Mary' in front of the second pedestrian crossing. Behind her is the former frontage of the former Liberty Theatre, which closed in the 1960s. (Shane Zahner)

lovers can further their palates at one of the area's fine wineries.

It's commonplace in the Gympie region

to say that you came for the place, but stayed for the people. Stick around and explore, and you'll find out exactly why.

The Inside Out Creative Torso Exhibition at Art Post as part of Youth Week.

Places where you can feed the mind

ART POST

Located in the Old Post Office Building at 22 Channon Street, Art Post is a gallery space run by artists, for artists.

Often showcasing unusual art pieces that include performance art, their events are always full of colour, excitement and emotion.

Art Post is open Monday to Saturday, 8am to 1.30pm.

Art Post has a Facebook page where they announce upcoming events and exhibitions.

GYMPIE REGIONAL GALLERY

The Gympie Regional Gallery was established in 1998 in the beautiful School of Arts Building built in 1905.

The Gallery showcases professional and emerging artists from our region, as well as touring exhibitions from around Australia, also hosting workshops, classes and artist talks.

The Gallery is located at 39 Nash Street and is wheelchair accessible and is open Tuesday to Saturday, 10am to 4pm.

Call 5481 0733, email gALLERY@GYMPIE.QLD.GOV.AU or follow them on Facebook.

GYMPIE REGIONAL LIBRARIES

Gympie regional libraries have well established library service points around the region.

Art Post

Membership is free and available to residents and ratepayers of Gympie and neighbouring townships in the region.

All the libraries close for Public Holidays.

Community facilities for all to use

COMMUNITY HALLS

There are about 36 halls in the Gympie region and most of them are managed by committees comprised of local residents or community groups.

To book a specific hall, visit www.gympie.qld.gov.au/residents/your-community/facilities-in-region/community-halls-and-venues or contact the council on 1300 307 800 to find out who you need to contact.

SHOWGROUNDS

The Gympie Showgrounds are at 77 Exhibition Rd, Southside.

Contact the Gympie District Show Society on 5482 1721 or at gympieshow.com.au, or the Gympie Turf Club on 5482 1584 (race days only).

Showgrounds facilities are also in Goomeri, Imbil, Kilkivan and Tansey.

Details are available on the council website at gympie.qld.gov.au/showgrounds.

THE PAVILION

Located at Adrian McClintock Park (Gympie showgrounds) and only minutes from the CBD, The Pavilion provides facilities including

Fireworks are at the Gympie Showgrounds for the Gympie Show each year.

the Apex Restaurant and bars, with a variety of conference rooms that enable business and government sectors to host seminars, trade shows and exhibitions.

As a recreational facility The Pavilion provides those in the community with first rate facilities that cater to a multitude of sporting interests including basketball, volley ball and futsal.

The Pavilion can cater for social events of

every scale, from 5 to 1500, with a grand or intimate atmosphere.

There is wheelchair access via the main entry, wheelchair accessible toilets and flat entryways and lifts and wheelchair accessible parking.

* Man lifter available on request for access to stage, where applicable.

Please email thepavilion@gympie.qld.gov.au for more information.

Being properly prepared for disaster

In recent years, Gympie communities have endured bushfires, floods, heatwaves and severe storms with devastating impacts.

These events have served as dramatic reminders of the critical importance of effective disaster management.

Gympie Regional Council provides extensive financial support to the Rural Fire Brigades and owns and maintains buildings, vehicles, and equipment for use by the State Emergency Service.

For up to date information on natural disasters, the GRC have a website called the Disaster Dashboard.

This site provides links to information on road closures, emergency services, severe weather warnings and more.

You can access it at www.disaster.gympie.qld.gov.au.

GET READY

Be prepared before a disaster hits.

There are several helpful resources such as assistance with preparing an emergency kit and evacuation plan to be found.

The Get Ready Queensland website has links to information to help you better

prepare at getready.qld.gov.au.

The following steps will help you and your family stay safe in extreme weather events.

- Prepare an emergency plan and emergency kit (visit qld.gov.au/emergency/dealing-disasters/prepare-for-disasters).
- Ensure your home and contents insurance is up to date.
- Clear the yard of loose items and ensure vehicles are undercover.
- Tune into your local radio station for severe weather advice and warnings.

PET SAFETY

- Stock enough non-perishable pet food for several days.

- Prepare a room to house your pet such as the bathroom or laundry.

TRAVELLING IN SEVERE WEATHER

Travelling during severe weather events is extremely hazardous, so the best advice is to stay home if it is safe to do so.

If you must travel during dangerous weather conditions, check Gympie region's road closures at disaster.gympie.qld.gov.au, at qld.gov.au/transport/conditions or roadconditions.racq.com.au or call 13 19 05.

STATE EMERGENCY SERVICE

- For assistance in an emergency contact the SES on 13 25 0.

How Many Flyers Can You Fit in Your Letterbox Before It Explodes?

Welcome to Gympie — where in the last year **400+ properties SOLD**, **50+ agencies COMPETED**, and over **100 agents** will squeeze their smiling faces into your tiny mailbox over the coming year, *“if your mailbox could talk, it will be screaming”*.

Open homes double as community events, and someone’s aunties friend’s father’s cousins brother knows your budget, before you do. Gympie isn’t just about numbers — it’s about **people & community**. Neighbours who wave, shops that remember your order, and **a place you can really call home**.

Whether you’re new, returning, upsizing, downsizing, or “just having a look,” welcome to a fantastic part of Queensland **filled with spirit and togetherness**.

If you’ve read this far... you now know where Ivory Realty Group is hiding in this magazine with the other 50 agencies and our advert worked.

Local knowledge. Real people. Real conversations. No fluff.

We Offer Property Management, Rural & Residential Sales & Good Humour

COMPETITION TIME!!

In mid-**December 2026**, we will **draw the competition** for who received the most flyers in their letterbox from Agents & Agencies **during 2026**. You need to keep them all, with **no double ups** of the same flyer, **in order to WIN!**

Follow us on Facebook for more **outrageous competitions** throughout the year.

Guide to waste services

WASTE WISE APP

Gympie Regional Council has a smartphone app called Waste Wise.

The free app provides information on bin collection days and sends reminders, can find disposal and recycling options for your waste, locate your nearest waste management facility and let you know any waste disposal charges.

It can also help rate payers report a problem, such as damaged or stolen bins, a missed collection or illegal dumping.

In the case of illegal dumping, witnesses can simply take a photo to send to the council for action.

The app also notifies of upcoming events, such as household hazardous waste drop-off days.

Download the app at the Apple App Store or Google Play Store.

RUBBISH COLLECTION:

To make sure the council collect your bin please check that:

- your bin is at the roadside by the night before the collection day, handle towards the house, with the lid closed

- the bin does not block pedestrian pathways or vehicle access
- the general rubbish and recycling are not cross-contaminated
- you have bagged all loose rubbish such as dust, kitchen scraps and grass clippings
- you have not bagged the recycling
- the bin is not overloaded (maximum weight is 70 kilograms)
- the bins are at least half a metre apart when placed together on the kerbside.

Bins are serviced as normal on public holidays including Christmas Day, Boxing Day, New Year's Day, Good Friday and Easter

Monday.

WASTE MANAGEMENT FACILITIES AND TRANSFER STATIONS

It is a safety requirement when attending all visitors must:

- wear closed-in footwear
- keep children in vehicles
- keep pets inside or restrained to vehicles.

All waste management facilities are closed on Good Friday, ANZAC Day and Christmas Day.

You can find them at:

- GOOMERI - Tierney Road, Goomeri
- GUNALDA - Balkin Street, Gunalda
- GYMPIE - Bonnick Road, Gympie
- KILKIVAN - McKewen Road, Kilkivan
- MARY VALLEY - Kandanga-Imbil Road, Imbil
- RAINBOW BEACH - Kurrawa Drive, Rainbow Beach
- TIN CAN BAY - Snapper Creek Road, Tin Can Bay
- WIDGEE - Cole Road, Widgee

Plenty of places to accommodate pets

DOG PARKS

There are off-leash dog parks located at Archery Park, Lake Alford and at the RSPCA grounds in Laurenceson Rd, Glanmire.

All are completely fenced, allowing dog owners to let their pets run around off-leash.

There is plenty of space to throw a ball, and the parks offer travellers passing through with pets a welcome break in their journey.

GUIDELINES FOR OWNERS

In the Gympie region, registration of all dogs is mandatory, and they must have the council tag attached to their collar.

To register your dog, you will need to complete a dog registration form, submit copies of related documentation (such as microchipping and desexing certificates) and forward these together with any fees and charges to the council.

As a pet owner, you are legally responsible for your pet and its actions.

All dogs must be walked on a leash if outside the boundary of the property where they are registered - unless they are in an off-leash dog park. If any animal defecates in a public place, the person who has control of the animal must immediately remove and dispose of the faeces in a sanitary way.

If you have more than two dogs registered to your property, you will need a licence. Dog registration renewals are issued in late September and are due on 31 October each year.

Cat registration no longer applies; however, microchipping of cats is mandatory.

A licence is required if you intend to keep more than:

- 1 cat over 12 weeks of age in a residential unit that is within a residential complex comprising 2 units or more (e.g. duplex).
- 2 cats over 12 weeks of age on any other property.

If you would like to apply to keep more than 2 cats, an application and approval for a licence to keep more than 2 animals is required.

Cats and dogs can be impounded, and a release fee will be applied.

All enquiries regarding impounded and lost dogs and cats, releasing and delivery of dogs and cats are to be directed to the RSPCA on 5482 9407.

The RSPCA have an on-site office and re-homing facility at their shelter at Laurenceson Road, Glanmire.

Their office is open Wednesday to Saturday, 10am to 5pm and Sunday 10am – 4pm, but they are closed Monday and Tuesday.

Keeping cockerels and roosters is not permitted in some township areas and discouraged in all other township areas, as their noise is often a neighbourhood concern.

Help save the planet

Recycling reduces waste to landfills which saves you money, reduces energy, water and greenhouse gas emissions while helping you lead a more sustainable lifestyle.

Recycle items in your kerbside recycling bin.

Donate unwanted and usable items in good condition to charity or second-hand stores.

Start composting/worm farming food and garden waste.

Discover what other items can be recycled, recovered or reused (eg. green waste, tyres, batteries, oil, e-waste).

Items that you can put in your recycling bin include:

- aluminium and steel tins and cans.
- aerosol cans – these need to be empty.
- aluminium foil – scrunch into a tennis-sized ball before it goes in.
- glass bottles and jars – remove lids and labels.
- plastic bottles: soft drink, water, juice, milk – remove lids and labels.

RECYCLING AT COUNCIL REFUSE CENTRES

Recycling of separated loads is free or

cheaper than disposal.

The following items are free:

- metal objects such as roofing iron
- engine oil (quantities less than 20L)
- car batteries
- cardboard
- all items that are accepted in a yellow lidded recycling bin (ie mixed recyclables)
- re-sellable/second-hand items (accepted by recycling shop)
- electronic waste (specific items from residences only)
- most paints

TYRES

You can take your old tyres to the following sites but you will need to contact a recycling company to take bulk quantities:

- Bonnick Road Waste Management Facility
- Rainbow Beach Waste Transfer Station
- Kilkivan Waste Transfer Station
- Goomeri Waste Transfer Station
- Tin Can Bay Transfer Station.

There is a cost to dispose of the following:

- domestic-use tyres (motorcycle, car and 4WD tyres)
- all tyres from businesses
- all tyres fitting commercial type vehicles (i.e. forklift, bobcat, tractor, truck).

CONTAINERS FOR CHANGE

There are several ways to recycle containers that have a deposit on them in the Gympie region.

The region has:

- drop-off points - where customers drop off their collections and have the refund deposited into a nominated bank account.
- over-the-counter depots - where customers

bring in their collections and get either an instant cash refund or have the refund deposited into a nominated bank account.

This includes:

- Gympie Green Solutions at 6 Bonnick Road, Gympie
- Return-It at Shed 4, 4 Smith Street, Glanmire
- U Can Recycle at 13 Pepper Road, Glenwood

Most aluminium, glass, plastic, steel and liquid paperboard beverage containers are eligible for a refund when returned to a refund point.

Please check with your local container refund point operator for available payment options.

To find a recycling centre near you, head to containersforchange.com.au/qld/where-to-return

Mt Pleasant Hotel

The Mt Pleasant Hotel has a long history, the first licence was applied for in 1868 by a Noah Raper, although the pub was situated further down the hill towards Norman by bridge.

The Mt Pleasant Hotel where it stands today was commissioned to be built in 1884 by Marion Shanahan.

The hotel passed through many hands until 1924 when Hugh Murphy owned it for 34 years until his daughter and her husband Bill Webb took over in 1958 until 1975.

This means that it was in the Murphy family for 51 years.

The present owner, Ian Kidd bought the pub in 2001 because he loved the pub, we celebrated Ian owning the pub for 20 years in 2021.

Ian has done a lot of restoration work on the pub and has put in a large two lane bottleshop.

Our bottleshop is open is open Mon/Tues 9am to 8pm, Wed to Sat 9am to 10pm and Sundays from 9am to 7pm.

We also have a great dining/bistro The Mount Seafood & Steak House area which is very popular with the locals.

We are open for lunch Monday to Sunday 12 – 2pm & dinner Tuesday to Saturday 6pm to 8pm. For Group Bookings, please call the kitchen on 5483 6970.

We have live entertainment Friday nights from 7pm to 11pm and Sunday afternoons from 1pm along with Joker Poker and our Social Club raffles on Sunday.

Spoilt for choice in education

By Donna Jones

The shift in workplace dynamics means more people can work remotely, and working families are no longer tethered to the office or the big city.

The ability to choose where you want to live has meant people have been moving north, foregoing the rat race and the cookie-cutter suburban life for more space, open skies, and the rural lifestyle.

Going along with the slower pace of life is the recognition of the importance of community in raising children.

The tight-knit community established in the Gympie region is one of the major reasons young families are leaving the metropolitan suburbs and moving to the area.

Housing affordability, teamed with the expansion in infrastructure and amenities, has seen major growth in our region.

This is particularly true for education opportunities.

Education in Gympie ranges from prestigious private colleges to award-winning public schools.

Schools often have different foundations, but all are designed to give your child the

best education they can receive.

From kindergarten right up to post-graduate education, people who live in Gympie can obtain whatever level of tutelage required for their children as they grow through their schooling life.

Gympie also has some specialist education facilities that are offered nowhere

else in the state, or even in the country in some cases.

Team that with a more affordable cost of living, larger urban blocks, and easy access to all amenities, it's no wonder families are moving into the area in unprecedented numbers.

Caring for our animal friends

FOR SICK AND INJURED WILDLIFE

Call the Gympie ANARRA (Australia Native Animal Rescue and Rehabilitation Association) wildlife rescue hotline on 5343 4859.

RSPCA's 24-hour number 1300 ANIMAL (1300 264 645) also links callers to local services anywhere in Queensland, not just for domestic animals but also wildlife.

There is also the Wildcare 24-hour Emergency Hotline at 5527 2444.

Injured wildlife can also be taken to a veterinary clinic where they will be assessed and allocated to licensed wildlife carers or sent to a wildlife hospital.

Vet clinics and rescue groups do not charge to accept wildlife.

KOALAS

Gympie region is privileged to be home to the iconic, much-loved koala and we are all guardians of this endangered species.

For koala rescue, or any concern about a koala's health or safety, call Wildcare or ANARRA (numbers listed above).

On rescue, injured and sick koalas are transported by their volunteers to Australia Zoo Wildlife Hospital.

Note that any koala hit by a vehicle or bitten by a dog must receive urgent treatment (injury is not always visible).

It is also important to call regarding deceased koalas for vital checks and data.

If you see a koala:

1. Check it is safe and healthy,
2. Make a call if it needs help,
3. If no action is required, make your sighting count and report it to the 'Wildwatch Gympie' threatened species database (on Gympie Council's website).

To learn more or get involved, the Koala Action Gympie Region (KAGR) is a community koala conservation group.

Visit their website at kagr.org.au for

information including a link to the interactive "Koalas of Gympie Region" Story Map.

Follow them on Facebook and collect a Koala Glovebox Guide to keep in your car from the Gympie Library and other outlets.

PEST ANIMAL SPECIES

According to Gympie Regional Council, land users are responsible for managing pest animals on their land.

Information on the identification and management of pest animals is also provided by the Gympie council.

Pest animals, also called restricted invasive animals, are widespread in Queensland, and affect primary industries, the natural environment, livestock, human health, and people's livelihoods.

Residents can loan a cage trap for wild dogs, feral cats, foxes, Indian Myna's, and rabbits.

The council also has pen traps available for the control of feral pigs.

You can report your feral animal issue to the council's Lands Protection Team on 1300 307 800.

Various management options are available, depending on your location, issue and eligibility.

Terrific tracks and trails traverse the region

The Gympie region is blessed with plenty of tracks and trails that wind their way through some of the prettiest and most unique country around, so there is no excuse not to grab the family or your friends, pack a picnic lunch, and make the most of it.

Here are our top trails in Gympie and the south and western regions.

1. VICTORY HEIGHTS TRAIL NETWORK

This trail network for walking, mountain biking, and horse riding is accessed from Bath Tce between the historic Victory Hotel and Gympie North Railway Station.

The trails weave through 60ha of mature eucalypt forest with 9km of signposted mountain biking trails ranging in difficulty from beginner to experienced levels, including a purpose-designed kids/challenge track suitable for smaller children and novice riders.

There are also 12km of shared-use fire roads and multi-use trails that are suited for walkers, cyclists, and horse riders.

2. AMAMOR STATE FOREST DAY-USE AREA

This riverine rainforest and plantations of hoop and bunya pines have a platypus viewing platform on the banks of Amamoor Creek.

The 1.5km Amama Walk through lush rainforest is accessed across the road.

3. AMAMOR STATE FOREST CEDAR GROVE CAMPING GROUND

This rainforest walk will take you past swimming holes into a subtropical rainforest that features large red cedars and fig trees.

It's a 1km return trip.

4. IMBIL STATE FOREST - FIG TREE WALK

Located about 4km south of Kenilworth along the Maleny-Kenilworth Rd, the 1.4km walk is sealed and includes some sections of boardwalk, and is wheelchair-friendly.

5. IMBIL STATE FOREST CHARLIE MORESLAND CAMPING/DAY-USE AREA

Birdwatch on Little Yabba or Piccabeen circuits or take the steady climb to 360-degree views on the 8km Mt Allan walk, which takes about four hours and offers views of Mary Valley country from atop a 9.6m fire tower.

6. KILKIVAN FOREST RESERVE

North of Kilkivan, this reserve protects one of the area's few remaining stands of native hoop pine rainforest.

7. MUDLO GAP

Wander the 1km Scrubby Creek walking track, about 8.5km north of Kilkivan through dry forest, giant figs, and lovely creeks.

The Mudlo Gap track is steep with many steps, but the view from the lookout is impressive.

8. BICENTENNIAL NATIONAL TRAIL - SECTION 5 (KILKIVAN)

The Bicentennial National Trail, over 5000km from Healesville in Victoria to Cooktown in Queensland, is the longest marked route of its kind in the world.

12655079-A106-24

The 107km section through the Gympie region mainly follows the forest ridges.

9. MARY RIVER TO RAIL TRAIL

The River to Rail Trail has been developed as a unique recreational experience for walking, running and off-road cycling, enabling residents and visitors to connect with the Mary River in the heart of the Gympie region.

The trail links the Gympie Town Centre and Youth Precinct in Nelson Reserve, through sports facilities at Albert Park and the One Mile Sports Complex, via the ecologically and historically significant Victoria Bridge Conservation Area.

The trail continues on to the Gympie Aquatic Recreation Centre and finally on to the historic Gympie Station, home of the Mary Valley Rattler heritage rail experience.

10. MARY VALLEY RAIL TRAIL

This trail is from Imbil to Brooloo and uses part of the old Mary Valley railway line.

The trail is 4.7km long and suitable for walkers, mountain bikers and horse riders.

It is a shared-use unsealed road.

Roadcraft's commitment is to prevent road trauma by providing effective safe, low-risk driver education to road users of all ages

Growing more than trees

Drive out of Gympie toward the coast or into Mary Valley, and you'll see more than rows of pine trees.

What you're really looking at is a supply chain in motion, a jobs engine at work, and a landscape being actively cared for.

HQPlantations (HQP), is Queensland's largest commercial plantation manager and directly employs 150 people and partners with more than 900 contractors. When indirect roles are counted, the wider timber industry supports around 18,000 Queensland jobs.

With the bulk of its plantation areas within a 100 km radius of Gympie, HQP contributes significantly to the region's economy, providing jobs for harvest crews, truck drivers, mill workers, silvicultural workers, firefighters, and nursery staff. And the impact doesn't stop at the mill gate.

Every harvest, every truckload, and every seedling planted supports local businesses - mechanics, fuel suppliers, cafes, training providers and more.

Plantation timber is the backbone of Queensland's \$32 billion construction industry, with HQP and local sawmills supplying 80% of the structural timber used in Southeast Queensland homes.

As demand for housing grows, locally grown timber will keep supply chains shorter, emissions lower, and jobs closer to home.

HQP's local offices, nursery investment, and independent sustainability certifications show how economic and environmental goals can be stitched together.

For regional towns like Gympie, that means secure, multigenerational work.

The plantations are more than trees — they're a job source, a carbon storage facility and a much-loved supply of green space for people to enjoy responsibly for generations.

Serving the Gympie Region since 1875

HQPlantations – Part of the Gympie Landscape

Who we are

HQPlantations (HQP) is an Australian timber plantation company privately owned by national and international investors. We operate under a 99-year licence agreement with the Queensland Government to manage, harvest, and regrow timber plantations on state land.

Where we operate

Our plantations stretch from the Queensland–New South Wales border to north of Cairns, however by far, the bulk of our 310,000 ha estate is in the greater Gympie region. To the immediate north of Gympie is our Toolara – Tuan Southern Pine plantation, a continuous expanse of forest stretching from just north of Gympie, to Maryborough. To the south of Gympie, are our Araucaria plantations nestled in pockets within the Mary Valley, including around Kenilworth, Imbil, Amamoor and Widgee. Our plantation nursery, growing the 8 to 10 million trees we plant each year, is also based in the Gympie region at Toolara

The Queensland timber industry contributes around \$3.8 billion annually to the state economy and underpins Queensland's \$32 billion construction industry with HQP playing a central role in this sector.

What we do

We manage our plantations through a continuous cycle of planting and harvesting, with only around 3% of our estate harvested each year. This approach keeps our forests in a perpetual cycle of growth while ensuring we can meet customer demand for high-quality wood products.

Working with our contractors, we supply plantation logs to local sawmills such as Hyne Timber at Tuan, Superior Wood at Imbil and Laminex at Toolara, who in turn provide products to manufacturers and retailers.

These logs are processed into a wide range of products, primarily structural timber for housing construction—a renewable, sustainable, and environmentally responsible alternative to other building materials. Notably, 80% of the structural timber used in Southeast Queensland is sourced from HQP logs.

We balance sustainable timber production with the protection of adjoining natural forests, wildlife, and waterways to ensure resources and environmental values are safeguarded for generations to come.

Access and recreation

Our plantations are generally open to the public for responsible recreation however as a working production forest, we do need to close areas from time to time to undertake plantation operations such as roadwork, harvesting, prescribed burning and other plantation reestablishment and maintenance activities. We also put in place broad forest closures during periods of high fire danger and significant weather events to protect public safety, our plantation assets and the environment.

For more information on forest management, responsible recreation and forest closures, visit our website at www.hqplantations.com.au

1287340-CY04-25

Recreation for everyone

The Gympie region covers a vast area and with it several spectacular locations - from the stunning Cooloola Coast to the beautiful Mary Valley, from western districts to the rolling northern area, and every park, garden and beach in between.

BEACHES

The Cooloola Coast offers incredible diversity along its long golden shorelines, including Rainbow Beach, Double Island Point, Inskip Point, and Tin Can Bay. Rainbow Beach is patrolled by surf lifesavers. For patrol times, contact the Rainbow Beach Surf Life Saving Club via their website at rainbowbeachsurf.com.au.

PARKS

The Gympie region has numerous parks with facilities for residents and visitors to enjoy.

A permit is necessary to conduct functions such as weddings or fetes in a park or on a beach.

For more information, contact the Gympie Regional Council on 1300 307 800.

LAKE ALFORD

An innovative playground was created at Lake Alford on the Bruce Highway, south of

Gympie, and is especially designed to meet the needs of children of all abilities, their families and carers. The council created the play space in collaboration with disability services and the local community.

The playground features a range of natural and built environments to encourage different types of play.

MEMORIAL PARK

The beautiful heritage-listed rotunda at Memorial Park in the heart of Gympie affords a great view of the city centre from the platform in the established gardens.

The central location and open spaces that surround the park make it a great spot to stop for a break.

EXPERIENCE THE MAGIC OF HERITAGE RAIL

AT THE HISTORIC GYMPIE STATION

All aboard the award-winning Mary Valley Rattler for a journey like no other! Travel through the Mary Valley on our beautifully restored heritage steam and diesel locomotives. Start at the historic Gympie Station, where our Café, Gift Shop, and Heritage Display await. Elevate your adventure with VIP

experiences, the Footplate Friends Experience, or indulge in our Silver Bullet High Tea—there's an unforgettable journey for everyone. Pets on Board means your furry friends are welcome too (bookings essential)! Run by passionate volunteers and a registered charity, every ride preserves this treasured piece of history.

What's on around the region in 2026?

Rally Queensland

17-19 April

Rally Queensland is where the fastest drivers in the country take on the country's best gravel roads, pushing flat out for the prestigious Australian Rally Championship crown.

In 2026, Accent Benchtops Rally Queensland opens the championship with the biggest program the event has ever delivered.

For the first time, the rally expands beyond the forests into a town-centre takeover, with a new street stage bringing the speed, noise and intensity of rally closer to spectators than ever before.

GourMay Mary Valley Food Festival

1-31 May

GourMay Mary Valley is a month-long festival celebrating the region's farmers, producers and creators.

Foodies can experience the magic of the Mary Valley with farm tours, open days, a gala dinner, workshops, art, film, music, walking tours and much more.

Festival Day will be held in Imbil with food stalls, food vendors, cooking demonstrations, food and farming presentations, competitions and more.

Most events will be individually ticketed, but Festival Day is free.

Goomeri Pumpkin Festival

29-31 May

As the largest pumpkin festival in the southern hemisphere, you'll have a smashing time at the Goomeri Pumpkin Festival, now in its 30th year.

During the weekend, browse market stalls offering handmade crafts and indulge in the range of street food.

Take part in, or enjoy spectating, competitions like the Pumpkin Bowls, Decorated Pumpkins, Pumpkin Pull, Pumpkin Pageant, Pumpkin Quilt Challenge, the Pumpkin Power Shot Put and, of course, The Great Australian Pumpkin Roll.

Gympie Music Muster

27-30 August

The Gympie Muster is Australia's original and most loved community camping and

music experience.

Staged deep within the natural surrounds of the Amamoor Creek State Forest, the Muster showcases a mix of country, roots, blues, folk and rock

music as well as workshops, dancing, bush poets, kids' country and much more.

The Muster is owned by the Apex Club of Gympie, and its fundamental purpose has always remained the same – to raise funds for those in need in the community.

Mary Valley Scarecrow Festival

1-30 September

The annual Mary Valley Scarecrow Festival is a popular event that began in Maleny and has been held almost every year since the late 1990s.

You can expect to find scarecrows from Kenilworth and throughout the Mary Valley via Brooloo, Imbil, Kandanga, Amamoor, and Dagon.

People of all ages get involved and get creative. Most people have the bones of a scarecrow in the shed: a broomstick, a bale of hay and some old clothes.

Mitchell Creek Rock n Blues Festival

18-20 September

Celebrating 15 years, this is a boutique music and camping event designed to get you out of town and take you on an adventure that connects you with friends, music and like-minded people in an intimate and inspirational setting.

With more than 100 of Australia's amazing rock and blues artists performing for three days and nights, the calibre of the music is nothing short of incredible.

It's a safe family-friendly environment held on a 100-acre property.

Heart of Gold International Short Film Festival

1-11 October

Welcome to Australia's biggest regional short film festival, Gympie's very own Heart of Gold International Short Film Festival.

Enjoy an immersive programme of short films, live music, talks, workshops, panels, parties and more.

Since 2006, Heart of Gold International Short Film Festival has been a successful celebration showcasing a diverse range of heartwarming and thought-provoking short films right here in Gympie.

Lots to see and do in Gympie Region

The Gympie region is a destination where coast, countryside and heritage come together.

From the iconic coloured sands of Rainbow Beach to the beauty of Double Island Point, the coastline offers a relaxed, nature-led escape renowned for its wildlife, surf beaches and expansive horizons.

Inland, the fertile Mary Valley showcases the region's rural heart, with rolling landscapes, river systems and a strong connection to local produce and community.

Gympie anchors the region with rich gold rush history, creative energy and character-filled streets, providing a cultural and historical depth that complements the surrounding natural beauty.

Whether you're a local or visiting the Gympie region, here are a few of our favourites.

Mary Valley Rattler

All aboard the award-winning Mary Valley Rattler for a heritage rail journey like no other.

Wind your way through the breathtaking Mary Valley aboard beautifully restored steam and diesel locomotives, classic carriages and vintage railmotors, each with its own story to tell.

Find yourself leaning into an abundance of gentle curves as the iconic steam train travels through the picturesque small town of Dagon on the journey to the historic town of Amamoor.

Highland Hideaway Experiences

Immerse yourself in the charm of rural life with this delightful two-hour farm tour adventure, perfect for all ages.

Discover the wonders of farming as you explore picturesque grounds, enriched with fascinating facts and stories about the beloved animals, including the popular Highland cows.

Interact with, feed and cuddle playful piglets, fluffy sheep and friendly goats before enjoying a refreshing morning tea.

This hands-on experience educates while bringing joy and laughter, making it a must-do for animal lovers and families alike.

Epic Ocean Adventures

Epic Ocean Adventures offer unforgettable experiences including dolphin kayak tours, surf lessons and stand-up paddle tours at Double Island Point and Rainbow Beach.

Accessed by 4WD along the beach, this location is the Sunshine Coast's best-kept surf and wildlife secret.

Tropical, warm waters year-round, long empty surf beaches and a buzzing hub of wildlife are just some of many highlights.

Departing daily from Rainbow Beach, with packages and private tours also available.

Gold Panning - Deep Creek

Try your luck at gold panning in Deep Creek, where Gympie's rich gold rush history comes to life. Located close to the Gympie town centre, Deep Creek is one of the region's designated fossicking areas, offering the chance to experience the thrill of discovering gold just as prospectors did in the 1800s.

With a fossicking licence and simple equipment, you can search the creek's sandy banks and shallow waters for traces of alluvial gold.

Fossicking licences are available online or at the Lake Alford Visitor Information Centre, where equipment hire (including picks, shovels and pans) is also offered.

Carlo Sandblow

Step into another world at Carlo Sandblow, where shifting sands and sweeping views create a spectacular landscape.

Located within the Cooloola Recreation Area of Great Sandy National Park, less than an hour from Gympie, Carlo Sandblow is a natural marvel shaped by wind and time.

Begin your journey from the Carlo car park just before Rainbow Beach, where a 600m trail leads through eucalypt and rainforest.

From the summit, soak in a breathtaking 180-degree view of Rainbow Beach, the Coloured Sands, Double Island Point, K'gari, and the Inskip Peninsula.

Kandanga Farm Store

The Kandanga Farm Store has everything from farm to fork.

Take a drive into the scenic Mary Valley and reconnect with where your food comes from.

The farm store is a community hub with a small cafe showcasing local and organic produce from the Mary Valley and Sunshine Coast regions. Its heart and soul is farm and garden supplies for organic and regenerative food producers.

Great Sandy National Park

Discover the wild beauty of the Gympie Region in the Cooloola section of Great Sandy National Park, where coastal wonders meet ancient landscapes.

Stretching from Rainbow Beach to Noosa North Shore, visitors can explore on foot via the Cooloola Great Walk, four-wheel drive along the sandy stretch of Teewah Beach, or camp under the stars at one of many nature-based campgrounds.

From the windswept beauty of Double Island Point to the tranquil waters of Poona Lake, the Gympie Region's slice of Great Sandy National Park delivers unforgettable natural experiences.

Tin Can Bay

While in the region, be sure to discover Tin Can Bay – a peaceful seaside village perfect for dolphin watching, birding, sailing, houseboat cruises, and fishing. If you're looking for an ideal experience, Tin Can Bay Ferry & Dolphin Ferry Cruises offer a range of cruises aboard the historic ferry MV Tondalao. Chances of spotting an endangered shorebird or a pod of dolphins are high and add to the magnificent appeal of this tour.

A ferry service is also available from Carlo Point, Rainbow Beach, to Tin Can Bay allowing visitors to participate in the volunteer-run dolphin feeding experience at Barnacles Cafe at Snapper Creek.

Dingo Creek Vineyard

Dingo Creek Vineyard is nestled on a picturesque 26-acre property at Traveston where grapes are grown to make Chardonnay, Cabernet Sauvignon,

Sauvignon Blanc and Merlot. Book an interactive wine tasting to help you select your favourite wine to enjoy with Dingo Creek's signature grazing platter. Alternatively, you

Experience coastal charm of Cooloola

The Gympie region also contains the gorgeous Cooloola Coast.

This area of the region contains the sleepy fishing town of Tin Can Bay, where anglers are drawn to the creeks and mangrove flats to try their hand at catching a big one or nabbing some mudcrabs.

Commercial fishermen work out of Tin Can Bay, and there you can find some of the sweetest, freshest seafood on offer.

Tin Can Bay is also the place to go for boating with a marina, yacht club and boat ramp.

Nearby, Cooloola Cove is a residential area, complete with shopping complex, that has sprung up in the last couple of decades and is now home to several thousand people.

This sleepy residential township offers affordable housing really close to the coast on large, flat home blocks perfect for families.

But the jewel in the crown of the Cooloola Coast is the sparkling tourist township of Rainbow Beach.

The major drawcard is the glorious coloured sands and many 4WD enthusiasts take to the beach to see the beautiful cliffs and their changing hues that alter with the seasons and even throughout the day.

The Tin Can Bay Marina.

Rainbow Beach is also a popular spot for campers and is also an access point for World Heritage listed K'Gari (formerly known as Fraser Island).

The laid back coastal lifestyle appeal

is undeniable and people come from all over the world to experience the delights to be found on our magnificent Cooloola Coast, whether that be for a holiday, or as permanent residents.

And they're off... for a great day on turf

The Gympie Turf Club has been conducting race meetings in Gympie for more than 150 years, with the first race meetings held during the gold rush days of the late 1860s.

The club operates from Adrian McClintock Park, which is situated on Exhibition Rd in Gympie and shares top-class facilities with the Gympie Show Society.

The club hosts at least eight race days each year with iconic meetings including the Muster Cup (August) and The Gympie Cup (October).

Races are suspended for a month in May each year due to the Gympie and District Show requiring extensive use of the facilities, however harness racing has recently been a feature of the Gympie Show in the main arena.

Country racing is a big part of the Gympie social scene and each race meet includes fashions on the field competitions, live bands and VIP options.

Catering is also available, and marquees are available to hire.

RACE DATES FOR 2026 ARE AS FOLLOWS*:

- Saturday 28 February - McGrath

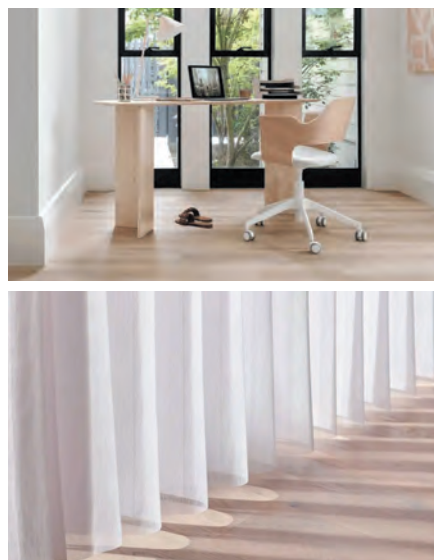

Fashions on the Field are a popular and colourful part of each race meeting.

Foundation PINK Race Day

- Saturday 18 April - 100 Club Cup Race Day
- Saturday 6 June TSR Refrigeration and Air Conditioning Race Day

Further dates for race days were yet to be confirmed at time of printing.

For more information head to gympieturfclub.com.au.

A new treatment for osteoarthritis may be closer than you think

If you or someone you care about is living with osteoarthritis and finding that standard treatments are no longer providing enough relief, but surgery hasn't yet been recommended, there is now another treatment option available here on the Sunshine Coast.

The treatment is called Low Dose Radiation Therapy (LDRT). It may help relieve pain, reduce stiffness, and improve movement in people with osteoarthritis. And the good news? No hospital stays and no surgery required.

How it works

LDRT uses carefully controlled, low doses of radiation to help reduce inflammation in affected joints. Although radiation therapy is best known for treating cancer, research has shown that very low doses of radiation can have anti-inflammatory effects – making it a promising option for managing joint pain caused by osteoarthritis.¹⁻³

Want to learn more?

If you'd like to learn more, you can call the clinic for an initial chat. To be assessed for treatment, you'll need a referral from your GP. A typical course involves six short sessions of LDRT over about two weeks. Depending on your response, additional courses may be discussed with your care team. Medicare typically covers around 80–90%⁵ of the cost of radiation therapy. Private health insurance is not required.

Did you know?

Osteoarthritis affects about 8.3% of Australians, that's roughly 2.1 million people nationwide.⁴ If you're one of them, new approaches like LDRT may be worth a conversation with your healthcare provider.

Providing care when it's most needed

Little Haven Palliative Care and Cancer Support has a system of care for terminally ill patients that has been adopted by community care organisations across the country.

The not-for-profit organisation offers its services free of charge to patients and families, 24 hours a day, seven days a week.

Little Haven receives some of its funding from state and federal government departments but a great deal of the funding the organisation uses to maintain their services is raised by volunteers at different fundraising events throughout the year.

In addition to the facilities onsite at the Gympie Hospital grounds, the staff at Little Haven travel to patients homes to provide nursing care and assistance where needed, allowing terminally ill patients to remain in their homes among family and friends for their final days.

Some of the services provided by Little Haven are extended to the families and carers of patients, such as grief and bereavement counselling, advice and practical assistance and emotional support.

These are complimentary services, provided free of charge.

The Little Haven Gratitude Walk.

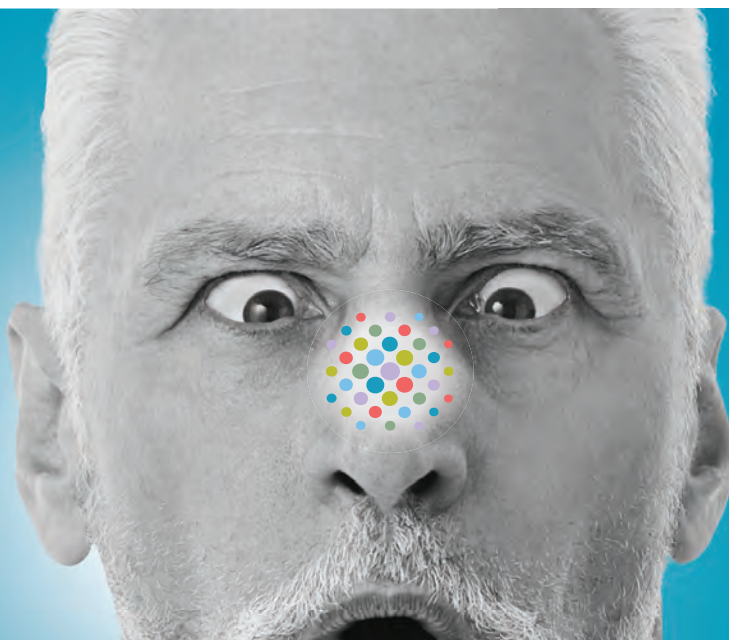

Little Haven Palliative Care and Cancer Support Inc is always grateful for community assistance with volunteering, fundraising or donations for their second hand marketplace on Crescent Road, Gympie.

Contact the association on 5482 9091 or pop into the office at 14 Henry St, Gympie from Monday to Friday, 9am-4pm for more information on how you can assist Little Haven to continue its vital work.

Not all skin cancers need to be cut.

For a *non-invasive* alternative, contact us.

Surgery is not always the best option.

Our doctors use superficial radiation therapy to treat skin cancers: No cutting, bleeding or pain during treatment. For the specialised, non-surgical treatment of skin cancer - just call Just Skin.

Contact your GP for a referral or call 07 5348 9460

GMT provides a vital service

The Gympie region needs safe, affordable, and reliable transport for patients to attend non-urgent medical appointments at specialist centres and hospitals in other areas.

That's where not-for-profit organisation Gympie Medical Transport comes into play.

This organisation is community-driven and staffed by volunteers, and helps to fill a need for people unable to drive themselves to and from their appointments.

GMT gets a great deal of community support to enable them to have seven vehicles in its fleet to help them meet the growing demand.

The group provides residents across the Gympie region (except for LGA Division 1 - they have their own service) with the means to travel up to Hervey Bay, Brisbane, the Sunshine Coast, and all points in between.

How the service works is that a volunteer driver takes the patient directly to the medical clinic or facility and then returns the patient to their home after the appointment.

Patients can be refunded most of the cost of the service using the Patient Travel Subsidy Scheme, but some fees do apply.

The team at GMT can talk you through the PTSS application process.

Volunteers with Gympie Medical Transport Sally Carkeet and Bev Goodall with Klaus, their mascot, who attends functions and represents GMT when all their working cars are out on the road.

The group can take patients from outlying areas into Gympie for a fee, but these trips aren't covered by the PTSS, and GMT is not permitted, through state government legislation, to transport patients from Gympie (or Southside or near suburbs) to Gympie appointments.

While the dedicated volunteers from GMT all work exceedingly hard, they are always in

need of more drivers to help them fulfil this vital service.

GMT's office is located at 64 Mellor Street, and their office hours are 8.30am to 12.30pm Monday to Friday.

To book, call 07 5371 9823 during these hours.

More information can be emailed from info@gympiemedicaltransport.org.au.

The perfect place to age

The Gympie region is the perfect place to age in place.

With a range of programs, initiatives, community groups and resources, Gympie is an ideal place to live in a comfortable, known environment with strong community ties.

When it comes to ageing in place in Gympie, the Gympie Regional Council started their ageing in place project in 2020, which was made to investigate services and infrastructure, culminating in 25 recommendations for council action to support seniors living at home.

As of 2023/2024, Gympie Regional Council was working with Gympie and District Women's Health Centre to increase the utilisation of the council facilities (e.g. libraries, health centres) to expand the provision of health and wellbeing services to Goomeri, Kilkivan, Imbil and the Cooloola Coast.

They also regularly facilitate information sessions in Council libraries about online services for aged care, carers' gateways and support services.

Further, they continue to provide Community Grants Programs that community groups can access to deliver activities and events across the region such as the

Grandparents Day/Senior Citizen of the Year Awards Ceremony in Memorial Park in October.

There are many senior-oriented groups and events that throughout the year such as Old's Cool, Gympie Medical Transport, QCWA Gympie, U3A and their Seniors Information Extravaganza, Probus Club of Gympie, Kilkivan

and District Community Care Association Incorporated and various activities across local halls frequented by seniors.

To find out more about ageing in place, events and activities for seniors visit <https://www.gympie.qld.gov.au/Community/Your-Community/Seniors>

Local care. Real connection

New to Gympie, or simply looking for the right support at home?

Suncare is a Queensland-based, not-for-profit supporting older Australians to live well, safely and independently at home. Our local team offers flexible, practical support shaped around what matters to you.

It's your life. We're here to help you live it.

How we can help

- Nursing and health services
- In-home care and everyday support
- Allied health and wellbeing
- Social connection and community support

Be brave and go there

Bravo Disability Support Network Inc. is a charitable organisation that was established in 2006 by a group of Gympie locals, recognising that many people with disabilities and their families were facing unmet needs and limited availability of local services.

From a Government 'Unmet Needs' Campaign, Bravo was funded to deliver flexible respite support in the disability sector to connect people to the Community to live lives that reflect their values and choices.

Bravo creates genuine relationships and respectfully provides individualised support to people with disabilities to meet their planned goals.

Bravo is a registered NDIS Provider.

Bravo holds many activities throughout the year and is very Community involved.

One of these activities is in partnership with the Heart Foundation called 'Bravo Movers', meeting every Thursday at 9 am opposite the ARC Gympie, Tozer Park Road.

For other activities, keep an eye on Bravo's Facebook Page for fun opportunities to engage in activities like ten-pin bowling and game nights.

Bravo Movers (Bravo)

This is Bravo's 20th Year of operations, and they extend an invitation for everyone to come along and enjoy Bravo's warm and welcoming celebrations.

This includes:

- The Community Pavilion Expo and Market Day - Friday, 17 July from 10 am to 2 pm.
- The Bravo Corporate Gala Night - Saturday, 25 July from 6 pm to 11 pm.

Bravo welcomes Volunteers to assist

within the Organisation and with the many events that they hold.

This is a shout-out for Bravo seeking Volunteers for our 20 Year Celebrations.

If you are interested, Bravo can be contacted on 5482 5336, or in person at 7 Alma Street, Gympie.

Be brave and go there by joining them this year.

Putting heart back into home care

In a world where aged care often feels like a numbers game, Absolute Care For You stands as a beacon of compassion and dignity.

Founded by Judith Cumner, with over 15 years of experience in the aged care industry, Absolute Care For You has been providing care coordination for seniors for the past three years.

Partnering with Trilogy Care, Judith understands the unique needs of the community.

This service is more than just care; it's about restoring independence, choice, and respect for every individual.

What sets Absolute Care For You apart is its unwavering commitment to personalised support. Whether it's helping with daily tasks, coordinating complex care plans, or simply being a friendly face, their team ensures that every client feels valued and heard. This isn't just about ticking boxes; it's about building relationships that matter.

With the new Support At Home program introduced on 1 November, Absolute Care For You will help you navigate these changes and ensure that all recipients continue to receive the funding they need.

As Gympie grows, so does the need for

Helen and Judith (Supplied)

quality home care that reflects its values of community, kindness, and trust.

Absolute Care For You delivers all three, making it possible for people to age gracefully in the comfort of their own homes.

So, if you or someone you love needs care

that goes beyond the ordinary, look no further.

Because here in Gympie, they believe care should always come with a heart and Absolute Care For You proves that every single day.

Call Judith on 0498 575 804 for more information

Absolute Care For You

Compassion. Quality. Independence.

Your trusted partner in aged care coordinated support.

We provide person-centred in-home services

designed to help you live safely, confidently, and with dignity.

Support Services Include:

Individualised care plans tailored to your needs
In-home support for daily living
Community access and transport assistance
Companionship and social connection
Professional, staff committed to quality care

Why Choose Us?

- Local, reliable, and responsive service
- Focus on independence and wellbeing
- Strong commitment to compliance and best practice
- Caring staff who treat you with respect

Supporting our veterans

The Gympie RSL Sub Branch Veteran Centre offers a variety of services to support veterans, their families, and the broader community. Located in Gympie, Queensland, the Centre is dedicated to providing assistance to those who have served in the Australian Defence Force, as well as supporting their ongoing needs post-service.

One of the primary services provided is advocacy and assistance in accessing veterans' entitlements.

The centres' staff and volunteers offer support to veterans seeking to navigate the complex processes related to Department of Veterans' Affairs.

Affairs (DVA) claims, including pensions, compensation, and health care.

This service ensures that veterans receive the financial and medical assistance they are entitled to following their service.

In addition to advocacy, the Gympie RSL Sub Branch provides a range of health and wellbeing services and programs.

These include providing a space for veterans to connect with one another, share experiences, and combat social isolation.

Regular social events include: coffee catch ups, group exercise classes bus trips

and commemorative activities.

The Centre also offers mental health support, recognising the significant challenges many veterans face in transitioning to civilian life. The team can

provide referrals to professional services, including counselling and psychological support, as well as organise peer support groups to foster a sense of belonging and mutual understanding among veterans.

Experience the Muster this August

Australia's iconic celebration of music, mateship, and camping under the stars is back, and right here in your own backyard.

The Gympie Music Muster will light up Amamoor Creek State Forest from August 27–30, 2026, promising four days of unforgettable entertainment in one of the country's most picturesque festival settings.

Renowned for its vibrant atmosphere and strong community spirit, the Muster attracts thousands of music fans from across the nation.

With more than 140 performers appearing across nine stages, audiences can expect a diverse program spanning country, rock, blues, folk, and more. Hands-on

workshops and fun dance activities run each day, making sure everyone stays entertained. Families are well catered for, with the dedicated Gympie 4x4 Kids Country area offering fun activities for younger festivalgoers.

Thrill seekers can head to the bull ride arena for a dose of high-energy action.

The 2026 line-up is already shaping up to be one of the best yet, featuring headline acts such as Lee Kernaghan, James Johnston, Beccy Cole, Graeme Connors, The Wolfe Brothers, Lane Pittman, Amber Lawrence, Nathan Cavaleri, and Brooke McClymont and Adam Eckersley.

Camping is at the heart of the Muster experience, and it's included in every ticket.

4-day ticket holders can even enjoy up to nine nights of free camping from Saturday, August 22, 2026.

Early arrivals will be treated to exclusive Pre-Muster entertainment at the Bundaberg Rum Crowbar, adding even more

value to the adventure.

For those preferring the comforts of town, convenient bus transfers from Gympie to the festival site make access simple.

Owned by the Apex Club of Gympie, the Muster is more than just a music festival, it's a major fundraiser supporting local community groups.

Volunteers from the region play a vital role in bringing the event to life, and opportunities to get involved will be announced in the months ahead.

Tickets for the four-day festival are on sale now, with flexible payment plans available.

Don't miss your chance to be part of this amazing local event.

Visit www.muster.com.au to secure your spot today.

Mark your calendars - Gympie Music Muster, August 27–30, 2026, is set to be a celebration you won't forget.

When the district goes on show

The regional shows are a big part of life in the Gympie region.

There are annual shows every year in Gympie, Imbil, and Goomeri.

These shows are an opportunity for local residents to showcase produce, livestock, and handicraft skills in a variety of different events.

They are also a good opportunity to promote businesses and network with other members of the community.

GYMPIE SHOW

The annual Gympie Show falls in May and this year will be held on 14-16 May. Friday, 15 May is a local public holiday. The event is the second largest agricultural show in regional Queensland and attracts competitors in various competitions from across the state and even internationally.

MARY VALLEY SHOW

The Mary Valley Show is held in mid-winter and this year will take place on Saturday, 5 September at the Imbil Showgrounds. The

show is one of the premier events in the area, with a world-class wood-chopping competition as well as livestock and arts and crafts.

GOOMERI AND DISTRICT SHOW

The Goomeri and District Show is on Saturday, 21 March 2026 at the Goomeri Showgrounds.

The show has a strong livestock focus and features displays by premier horsemen and women.

Community, creativity and care

Since 2006, Heart of Gold International Short Film Festival has quietly and confidently carved out a place as one of Australia's most distinctive film festivals, held annually right here in the Gympie region.

What began as a small regional event has grown into an internationally recognised celebration of short filmmaking, storytelling and community, without ever losing its heart.

From Thursday 1 to Sunday 11 October 2026, Heart of Gold marks its 20th anniversary, inviting audiences to reflect on two decades of films that challenge, delight and connect us.

What sets Heart of Gold apart is not just its programming, but its sense of place.

The festival is deeply embedded in the Gympie community, transforming local venues into shared spaces for conversation, creativity and cultural exchange.

As the festival celebrates this milestone year, it also looks forward.

Heart of Gold remains committed to supporting storytelling in all its forms, including music, theatre and comedy.

Their 2026 tour will take their best short films from 2025 to small towns and large in regional Queensland, and their regular

film events in the Gympie region will give the community opportunities to experience brilliant short films from around the world in the lead up to their Festival in October.

Twenty years on, Heart of Gold is more than a festival. It is a testament to what can be built when community, creativity and care come together.

For more information about the annual multi-day festival, their regional tour and regular events, go to www.heartofgold.com.au

Plenty happening on Mary Street

Several times a year Mary Street puts on a street festival and all the locals are invited.

These are designed to occur around special events and in the past have been held before Easter, and before Christmas.

There have also been parties around October for the Gympie Heart of Gold Short Film Festival, the Wheels on Mary Queensland Rally event in July, and Winter Trees on Mary which is often a pre-Muster street party happening in August.

The events feature food vendors, musicians and entertainers, train rides, face painting, and lots of other activities for the whole family.

The beautiful trees that line Mary Street are decorated in the festival's theme and sparkle with thousands of fairy lights, adding to the carnival atmosphere.

Mostly run by the Gympie Regional Council in conjunction with the Mary Street Traders and other community groups, they attract upwards of several thousand people to each event.

The shops and retailers along Mary Street between Monkland Street and Fiveways will stay open, offering specials and bargains,

Train rides up Mary Street during the 2025 Christmas on Mary.

and the cafes, hotel, and restaurants have alfresco dining available, so families can linger and be close to the action.

Gympie Regional Council will often publicise these events on their Facebook

page and in advertising.

The events are always a great chance for residents to come together and celebrate some of the best things about this close-knit community.

A festival of food, wine and fun

Experience the best food, wine, and scenic locations in the Mary Valley at GourMay Mary Valley Food Festival 2025.

Whether you want to learn more about regenerative farming, indulge in a long table lunch, walk through wild macadamia habitat, discover the flavours of the valley with a mystery picnic, or take in the best view in the Mary Valley with a sunrise breakfast, GourMay 2025 has something for everyone.

GourMay Mary Valley Food Festival, now in its fourth year, will continue its unique emphasis on taking visitors up close and personal with the region's food and wine producers.

The Mary Valley is one of Australia's food bowls: producing a wide range of food and wine including organic beef, free-range pork and chicken, locally made wines and sourdough, a wealth of produce, and Kenilworth Dairies' famous cheeses.

During the month of May, visitors can indulge in gourmet experiences, explore farmers' markets, enjoy hands-on farm tours, and participate in cooking workshops, all while soaking in the stunning beauty of the Mary Valley.

Cooking demonstration with Peter Wolfe at last year's GourMay

Whether you're a passionate foodie or simply love great food in a breathtaking setting, GourMay Mary Valley Food Festival invites you to celebrate the region's flavours, traditions, and community spirit.

Festival Day in Imbil on Sunday 3 May is a highlight of the month.

The next event on the calendar is the Mary Valley Farm Trail on Saturday, 16 May.

The Mary Valley Farm Trail is an agri-tourism initiative connecting visitors with local producers in Queensland's Mary Valley,

offering farm-to-table experiences.

Wrapping up the GourMay month will be their Gala Celebration on Saturday, 30 May.

May is "Feasting Season" and a chance to meet the people who bring food to the table.

There will be workshops, farm tours, cooking competitions, gourmet grazing, and more.

Whether it be a sunrise breakfast, long lunch, camp oven feast or degustation dinner, there is something for everyone.

There's plenty to recommend GourMay, but chiefly, the amazing food.

Presenting the past

History is alive in Gympie with a number of museums highlighting our golden past.

THE GYMPIE GOLD MINING AND HISTORICAL MUSEUM

Gympie has an important and colourful history, including as the “town that saved Queensland from bankruptcy” and the home of Andrew Fisher, Labor’s second Prime Minister.

Everybody is invited to discover more about the region’s past and present at the museum at 215 Brisbane Rd, Monkland.

The museum is open daily 9am-4pm (except Good Friday, Christmas Day, and Boxing Day).

Entry costs are \$45 for a family, adults \$15, concession \$10, and students (5-16) \$8.

WOODWORKS MUSEUM, AND INTERPRETIVE CENTRE

The Woodworks Museum was originally built to highlight the work of the Queensland Department of Primary Industry and Forestry.

Located at 8 Fraser Rd, it is now open to the public from Monday to Friday, 10am-3pm (closed public holidays).

The poppet head and jacarandas at the Gympie Gold Mining and Historical Museum. (Donna Jones: 446425)

It has a wide variety of artifacts, historical photographs, and machinery and often has demonstrations by blacksmiths and the steam boiler crew.

Tour groups are welcome.

Entry is \$10 per person with children under 5 years free.

There is also a family pass for \$25 for two

adults and three children.

OWEN GUNS TRUST MUSEUM

Located at 24 McMahon Street, just off the Bruce Highway at Gympie, Owen Guns Trust Museum is a firearm’s museum outlining the history and manufacture of firearms from 1780 to the current day.

In excess of 3000 firearms are on display along with various military memorabilia.

The museum is open Monday to Friday 9am-5pm and Saturday from 9am-4pm.

Entry is a gold coin donation.

THE KILKIVAN DISTRICT MUSEUM

The Kilkivan & District Museum and Visitor Information Centre is located at 12 Bligh St in Kilkivan’s main street, opposite the Post Office.

The museum complex is currently comprised of several buildings, which house items of local cultural, historical, and social interest.

Opening hours are Tuesday to Friday 10am-3pm.

Admission costs apply.

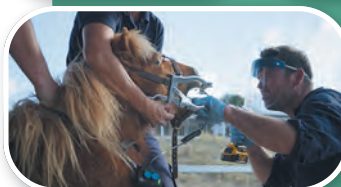

We are a large animal mobile veterinary team servicing the Gympie region.

We believe in creating a personal veterinary experience with a positive approach to client relationships.

Our services include

- Equine and livestock preventative medicine,
- Surgery and Diagnostics,
- Accredited assessments including PregCheck and BullCheck,
- Equine pre-Purchase Exams,
- Gastroscope Endoscopy and health checks,
- Equine Dentistry,
- Mobile digital x-ray and ultrasound,
- Emergencies

Where to find medical help

AFTER HOURS MEDICAL SERVICES

Some private practices have a doctor on call after hours.

Contact your clinic directly for more information.

In an emergency call 000 or present directly at Gympie Hospital Emergency Department at 12 Henry St, Gympie.

GYMPIE NURSE LED WALK-IN CLINIC

For free, non-life-threatening but urgent care, the Gympie Nurse Led Clinic may be able to assist.

The nurses can help with things like fevers, coughs and colds, infections and rashes, vomiting or diarrhoea, strains and sprains, minor cuts, burns and head injuries, and women's health, including emergency contraception support and referrals for women experiencing domestic, family or sexual violence.

The nurses can do a number of tests and prescribe medicines like antibiotics, if needed. You don't need a Medicare card or an appointment.

If the nurses think you need more specialist care, they will refer you to another service.

They are situated at 2/21 Exhibition Road, Southside, and are open Monday to Saturday, 10am to 6pm (excluding Public Holidays).

For more information or to check if they can help, call 1800 964 250.

GenesisCare, Sunshine Coast

Supporting our local Gympie community for 6 years

We understand how important it is to stay close to home during treatment. That's why GenesisCare is making it easier for locals to get the care they need:

- ✓ **Comfortable, stress-free travel** to Noosa with our complimentary GenesisCare community bus
- ✓ **Convenient consultations** available in Gympie, so you don't have to travel far
- ✓ **Helping you focus on healing**, while we take care of the journey

Because every kilometre saved is more time with loved ones.
